## Electrostatic Precipitator Market 2015-2019

“ **Electrostatic Precipitator Market 2015-2019** ” is the latest addition to MarketResearchReports.Biz industry research reports collection.

### About electrostatic precipitators

Electrostatic precipitators are industrial emission control units designed for particulate and acid mist

removal from industrial exhaust gas streams. They operate by electrostatically charging the dust particles in gas streams, causing them to accumulate on opposite charged plates or other collection devices.

Technavio's analysts forecast the global electrostatic precipitator market to grow at a CAGR of 9.65% over the period 2014-2019.

**Covered in this report**

The report covers the current scenario and the growth prospects of the global electrostatic precipitator market for the period of 2015-2019. To calculate the market size, the report considers revenue generated through the sales of the following electrostatic precipitators:

New electrostatic precipitators

Repair and services

The market is divided into the following segments based on technology:

- Wet type
- Dry type

Also, the market is divided into the following segments based on end-user:

- Power generation
- Cement
- Mining

Technavio's report, Global Electrostatic Precipitator Market 2015-2019, has been prepared based on an in-depth market analysis with inputs from industry experts. The report covers Americas, APAC, and EMEA; it also covers the landscape of the global electrostatic precipitator market and its growth prospects in the coming years. The report includes a discussion of the key vendors operating in this market.

**Key regions**

- Americas
- APAC
- EMEA

**Key vendors**

- Alstom
- Balcke-Durr
- Mitsubishi Heavy Industries Mechatronics Systems
- The Babcock & Wilcox Company
- Thermax

### **Other prominent vendors**

- Clean Tunnel Air International
- Ducon Technologies
- Foster wheeler
- Siemens
- Total Air Pollution Control
- Trion

**Market driver :**Increasing pollution in flue gases

**Market challenge :** High initial cost

**Market trend :** Growing demand for electrostatic precipitator in APAC

### **About us**

MarketResearchReports.biz is the most comprehensive collection of market research reports.

MarketResearchReports.Biz services are specially designed to save time and money for our clients.

We are a one stop solution for all your research needs, our main offerings are syndicated research reports, custom research, subscription access and consulting services. We serve all sizes and types of companies spanning across various industries.
